

Yealm Yacht Club

Happy Easter to all our members!

The club was full to bursting for the recent wine tasting which was much enjoyed by everyone there. **Chris, Fred and Regis** from **WBS** had a great time and are already talking about an event of some sort in the autumn. A charity collection at the end of the evening raised a **wonderful £202** for **Families For Children**, and adoption society based in Buckfast. It has paid for two children to each have a respite activity day with **Trinity Trust** (Brixham Trawlers) in the summer holidays. Thank you so much for your generosity. The society was delighted with the response and we hope to do more during the rest of the year.

Exciting news! By the time you receive this, **our new website will be live!** Based on feedback from the online survey we did last summer, **Luby Brook** has done a fantastic job at building the site which is informative, interactive and much more user friendly. She has burnt many midnight hours on the project for which we are very grateful! **Thank you Luby!** And **thank you too to Steve Smith** for helping during the final stages of setting it up. Phase 2 will see a link for tides and weather being added.
