Friday 6th June – Yacht berthing arrangements

For the first time, we have arranged for the Town Jetty on the Dartmouth side (where the passenger ferry and tripper boats dock) to be reserved for the event. This should ease competitors arrival logistics. If it hits capacity, then there are plenty of other options available on the river, as per previous years.

Event Schedule:

Time	Item	Location
Sat 7 th June 0830	Event briefing	Dartmouth Yacht Club (Dartmouth side)
0930	Race starts (run leg 1)	Coronation Park, Dartmouth (near RNLI station)
AM / PM	Teams sail to Salcombe	
PM (end of Sat)	Complete Run 2	Moor yachts in Salcombe Harbour as directed by Harbour Master
Sun 8 th June 0930	Rowing race to yachts	Mill Bay
Approx 10am	2 nd Sailing leg starts	Salcombe Harbour limits transit
PM	3 rd running leg	Finish at Yealm Yacht Club
1700	Event cut-off time	
1630 – onwards	Bbq, Prize giving 5pm	Yealm Yacht Club

Timings:

The event is continuous, so you need to be slick at getting into your tender and getting to the beach. It is your total time that counts, including transitions, running and sailing.

The timings of the event are based on a fair bit of trust and team member participation!

Each team is required to capture the following information:

Race Start Sat:	0930
Cross Start Line (Dartmouth)	
Cross Finish Line (Salcombe)	
Finish Run 2 (South Sands Beach)	
Race Start Sun – Mill Bay	0930
Cross Salcombe Start Line	
Cross Finish Line (Yealm)	
Finish Run 3 (YYC)	

Event Briefing 0830 Sat 07th June

Held in Dartmouth Yacht Club, S Embankment, Dartmouth TQ6 9BB. Tea, coffee, bacon or sausage roll breakfasts will be available for purchase.

Event briefing must be attended by all entrants. The runners starting leg 1 should come ready to run as there will not be time after the briefing to get back to yachts before the start.

Race Start:

Runners to gather as instructed after the briefing for an 0930 start in Coronation Park – allow 10 min to get there.

Team members should have plenty of time to watch the start and return to yachts.

Run 1

Coronation Park – Bayards Cove – Dartmouth Castle – Warren Point (on coastal footpath) – Jawbones – Town Jetty finish. ~9.5km, 395m of ascent / decent.

See Running Map 1 in Appendix A

Transition 1 – Dartmouth, Town Jetty

Runners to WALK upon reaching the Town Jetty and find their yacht. If the Town Jetty berthing area is full, yachts must hold off safely in the estuary and come alongside for collection only. **Note – yachts MUST ensure they stay out of the way of the regular tripper boats and passenger ferry (as requested by the Harbour Master, Paul Britton).** A speed limit of 6 knots must be observed at all times, whilst proceeding to the start line.

Sailing Leg 1

The start line is the RDYC transit, located on Blackstone Point. Yacht engines must be switched off once the start line is crossed and the time of crossing the line recorded. Yachts must leave Western Blackstone Rock and Homestone buoy to starboard.

Yachts are free to choose their best passage around Start Point to Salcombe Harbour.

The finish line (and point where engines must be turned on) is the Salcombe Harbour Limits, marked by a row of yellow buoys, and nominally when Great Eelstone Rock is on a bearing of 243 degrees. Time of crossing the finish line must be recorded.

A variation to the sailing route may be enacted if weather conditions require it. If that is the case, it will be communicated in the race briefing.

See Appendix B for Sailing start / Finish Lines

Transition 2 – South Sands Beach

Runners to be taken ashore by tender from the yachts. They can either row themselves or be rowed by a member of the team. Yachts are to anchor or pick up a mooring in the vicinity and await the return of their runners. The race ends for the day, once runners set foot back on South Sands beach. Once the runners are safely aboard yacht, proceed into the harbour to collect a visitors mooring (location to be advised by the harbour master).

Running Leg 2

South Sands – Sharp Tor – Bolt Head – Soar Mill Cove – Rew – North Sands – South Sands

11.7km, 460m of ascent / decent

See Running Map 2 in Appendix A

END OF DAY 1 RACE

Saturday Social – 7pm Salcombe Yacht Club

DAY 2 - Sunday

Rowing Race 0930 and Sailing Leg 2 to Yealm

The race will re-start at 0930 on Mill Bay (or as advised at the event briefing) with a rowing race in a rubber, inflatable yacht tender (Avon or similar) to their yachts. Yachts will then proceed safely under power to cross the Salcombe harbour limit line, at which point engines must be switched off, and the time recorded.

The harbour rules apply – ie. 6 knot speed limit - anyone breaking the speed limit will be disqualified. The Salcombe Harbour Master, Cam Sims-Stirling has agreed to be present on the water and monitor the fleet to ensure compliance.

The finish line is a transit between the two white poles on the cliff at the mouth of the Yealm Estuary, adjacent to Mouthstone Point. Yachts may proceed under engine to Cellars beach after crossing the Mouthstone Line and the time when the line crossed recorded.

The race committee reserve the right to amend the sailing instructions aligned to the conditions.

Transition 3 – Cellar Beach

Runners to be dropped or row to Cellar Beach. The footpath up the cliff is on the far **LEFT HAND** side of the beach as you look from the river. Please note, the path has changed in recent years, due to rock fall. It now goes along the estuary before going up to the coastal path.

Yachts to proceed into the River Yealm to collect a visitor mooring (location to be advised by the Harbour Master), before re-grouping with their runners who will finish at the Yealm Yacht Club, located: Riverside Rd East, Newton Ferrers, Plymouth PL8 1AE.

Running Leg 3

Cellar Beach – Coastal Path Run – Yealm Yacht Club. FINISH

11.75km, 285m of ascent / decent

See running map 3 in Appendix A

Prize giving and BBQ 1630 onwards

BBQ and drinks available at Yealm Yacht Club from 1630. Let the merriment commence!!

Rules

The aim of the 3 Creeks Race is for this to be a team sailing and running event, with maximum participation by all members of the team in both aspects. However, provided you stick to these few rules, it's your race to run however you wish!

1. General Rules

- 1.1 Teams can be up to a maximum of 5 and a minimum of 4.
- 1.2 At least one competent sailor must be on your boat at all times during the race.
- 1.3 Teams must communicate with the race officer in accordance with the communication instructions (to be confirmed at the briefing).
- 1.4 Youth team members (14 – 18) are welcome subject to a completed parental consent form.

2 Sailing Rules

- 2.1 The Race Committee consists of the Yealm Yacht Club (YYC) Sailing Committee and The Race Officer.
- 2.2 The race will be governed by the rules as defined in the Racing Rules of Sailing 2025-2028(RRS) and these Event Instructions.
- 2.3 All boats shall ensure that a valid **RYA SafeTRX** (replacement for CG66) is registered online.
- 2.4 Entrants should familiarise themselves with all hazards (particularly rocks and obstructions) associated with the race area.
- 2.5 Entrants must maintain a lookout for vessels engaged in diving and their accompanying divers and give them a wide berth.
- 2.6 Yachts should conform with the requirements of the ISAF Offshore regulations for a category 4 event
- 2.7 At least one mobile phone must be on at all times on each yacht, so the race officer can contact the team in an emergency, as a back up to the yacht VHF.
- 2.8 Yachts shall abide by the harbour regulations in force on the River Dart, Salcombe Estuary and River Yealm.
- 2.9 In the absence of any wind, human power of any kind is permitted to propel the vessel (rowing for example)

Disclaimer

- 2.10 A boat is entirely responsible for her own safety, whether afloat or ashore, and nothing, whether in the Notice of Race or Sailing Instructions or anywhere else, reduces this responsibility.
- 2.11 It is for a boat to decide whether she is fit to sail in the conditions in which she will find herself. By going to sea, the boat confirms that she is fit for those conditions and her crew is competent to sail and compete in them.
- 2.12 Nothing done by the organisers can reduce the responsibility of the boat nor will it make the organisers responsible for any loss, damage, death or personal injury, however it may have occurred, as a result of the boat taking part in the race. The organisers encompass everyone helping to run the race and the event, and include the organising authority, the race committee, race officers, and other assistants.

- 2.13 Each skipper is responsible to ensure that the vessel is seaworthy so as to be able to face extremes of weather; and that the safety equipment is properly maintained, stowed and in date and that the crew knows how to use it.
- 2.14 Each participating boat is required to hold adequate insurance and in particular to hold insurance against third-party claims in the sum of at least £3,000,000.

Handicapping

- 2.15 All entrants shall race in one class, using RORC's [RYA YTC handicapping system](#) and Mocra combined.

Notices to Competitors

- 2.16 Any notices will be posted through the Facebook page, but may also be posted in addition as follows: Whatsapp, Noticeboard in the Club, Skippers and Crews email. Late Changes to sailing Instructions will be transmitted on VHF Channel 72

Protests

- 2.17 Protests shall be written on forms available from the YYC and delivered within two hours of finishing. Protests will be heard as soon as possible.
- 2.18 Protest notices will be posted within 60 minutes of receipt to inform competitors where and when there is a hearing to which they are parties or named as witnesses.
- 2.19 The Protest Committee will be appointed by the Race Committee.

3 Running Rules

- 3.1 Runners are required to navigate around the course unaided, but may wish to use phones with navigation apps to assist with this. The ability to use a map and compass is a requirement.
- 3.2 Evidence of having followed the running routes is required. The type of evidence will be confirmed at the briefing but it is likely to be a 'selfie' picture (locations of each checkpoint also to be confirmed at the event briefing).
- 3.3 Each run must be undertaken with at least two members.
- 3.4 Running pairs must stay together at all times.
- 3.5 Runners should wear appropriate clothing for the conditions.
- 3.6 Footwear should have a suitably grippy sole, as the public footpaths tend to be muddy and slippery.
- 3.7 Runners must get to the shore in yacht tenders, under their own steam, not under engine.
- 3.8 If running pairs choose to leave their tender ashore whilst they complete a running leg, they shall ensure it is stowed appropriately above the high tide mark.

Running Kit List

Obligatory items **NOTE – UPDATED for 2025** (following a post event review in 2024)

Items per person (not per team):

- 1) Race number
- 2) Mobile phone
- 3) Jacket (light soft shell, or light hard shell is fine)
- 4) Emergency snack – 40g minimum (snicker / kitkat etc)
